Hello Kevin,

Please find attached a QAPP for groundwater monitoring that CARE provided to EPA for EPA review. EPA's comment letter, which has not yet been signed, is also attached. I'm forwarding these to you because there will likely be some need to coordinate regarding access and field presence. Please let me know if you have any concerns about the QAPP or the letter by noon on March 3.

As I mentioned I will be out of the office the week of February 24 and in my absence you can contact Adam Baron at (206) 553-6361, Baron.Adam@epamail.epa.gov.

Eric
